
How to use this file. (Operators Manuals)

Instructions for
Print Vendors (Paper Manuals)

Page Size:

- 11 x 17
- Must fit the table with about 1/2 inch margin
- Color and grayscale versions: 1600 x 1200

Pages:

- 100-11000 (10000)
- 1000-10000 (10000)

Binding:

- Single-Sided, Top-Ten
- None

Content:

- The file may contain several manuals, which differ only in their covers.
- Covers are all placed in the beginning of the file.
- The covers for each manual include the page identification number and the page number for each cover to be included in the file.

Notes:

- The body of the manual is identical, regardless of the cover used.
- Operations and maintenance manuals are included in the file.
- The file is a PDF file.

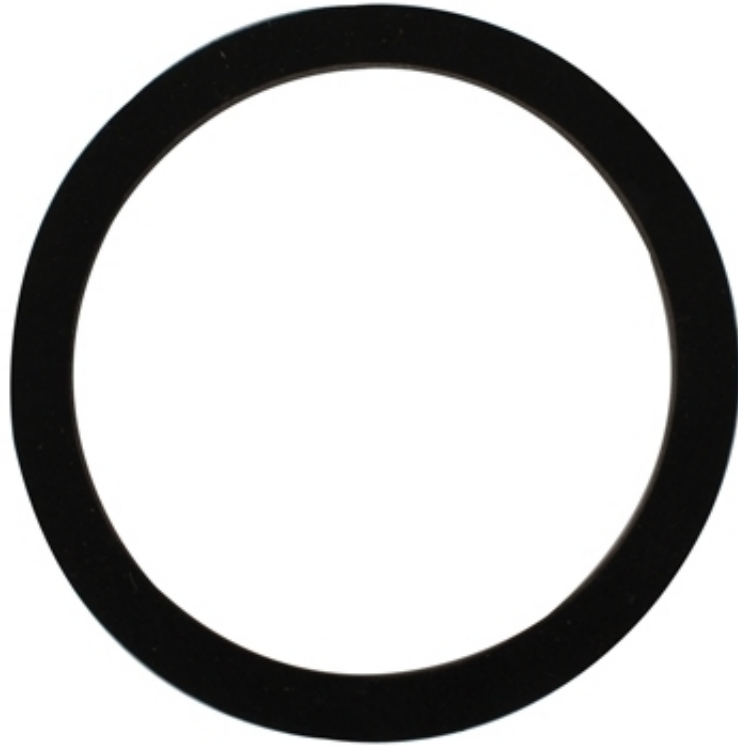

General:

- This instruction page is NOT part of the manual, but will be printed.
- Page number will be the last 7 digits of the file name (e.g., 1692918).

brand: Simplicity
